

## Felt Making

This is a good activity to link with making your own plant dyes. Wool to make felt can be purchased un-dyed then dyed with your plant dyes. If you plan over a year or term and have a school garden you can even grow your own plants to make the dye from.

3.30pm	Arrive, debrief from day
3.35pm	Introduction, looking at materials
3.40pm	Look at felt making presentation from Museum of Wales <a href="http://www.nmgw.ac.uk/education/resources/download/index.shtml?pass_id=5">http://www.nmgw.ac.uk/education/resources/download/index.shtml?pass_id=5</a>
3.45pm	Make felt – instructions from <a href="http://www.scizmic.net/apc_activity_felt.asp">http://www.scizmic.net/apc_activity_felt.asp</a>
4.25pm	Round up and questions
4.30pm	Finish
